

MULTI-FUEL Installation Packs

Multifuel Installation Packs

Multifuel Installation Packs are a convenient way of purchasing all the parts you need to make your flue liner installation safe and HETAS approved. Each kit comes in box with everything you need. Packs are available in diameters 5" (125mm), 6" (150mm), 7" (180mm) and 8" (200mm). To order simply add the diameter (in inches) to the Pack Number.

e.g. **20-601** = 6" diameter, pack number 01 **20-806** = 8" diameter, pack number 06
